SECOND SUPPLEMENTAL AMENDMENT AND RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant submits this Supplement Amendment and Response to replace the Amendment and Response filed December 11, 2007. The Amendment and Response of December 11, 2007 was inadvertently filed with previous claim dependencies, un-amended to account for cancelled claims. In particular, Claims 68-73, 75 and 77 were mistakenly listed as depending from cancelled Claim 67, and Claim 76 was mistakenly listed as depending from cancelled Claim 74. This Second Supplemental Amendment and Response is submitted to correct this minor error. In particular, Claims 68-73 and 75-77 are now listed as depending from Claim 65. No other differences exist between is paper and the Amendment and Response filed December 11, 2007. Accordingly, the Examiner is respectfully requested to replace the Amendment and Response filed December 11, 2007 with this Second Supplemental Amendment and Response. As the previous response was timely, it is believed that no fees are currently due. However, please credit any overpayment or charge any underpayment to Deposit Account No. 19-1970.

This Second Supplemental Amendment and Response additionally replaces the non-compliant Supplemental Amendment and Response filed January 23, 2008, which included incorrect status identifiers. This second Supplemental Amendment and Response includes the correct status indicators.

Please amend the above-identified patent application as follows:

Amendments to the Claims are shown in the listing of claims, which begins on page 2 of this paper.

Remarks begin on page 13 of this paper.
